Subject:- Constructing a bandhara at Mamdapur, Taluka Gokak District Belgaum.

Reference (i) Government Letter (P.W.D-)No.5354/36-I, dated the 19th June 1944, accepting the tender for the Bandhara proper.
(ii) Government Letter (P.W.D.)No 7486/36-I, dated the 9th April 1946 accepting the tender for 5½ miles of Canal System.

Plans and estimate in fair, the latter amounting to Rs. 5,46,165/ for the complete work of the Mamdapur Bandhara, including the Canal System based on the accepted tender rates, are herewith submitted to Government for favour of according administrative approval and technical sanction thereto.

2. The general description accompanying the project explains the salient features of the scheme and the details of the provision made in the estimate.

3. The remarks contained in the technical note accompanying Government letter (P.W.D.) No. 5854/36-I, dated the 19th June 1944, have been complied with as under:-

(i) Complied with. A bed fall of 1 in 2000 ~~upto the village~~ has now been provided for the initial reaches of the main canal developing a velocity of 1·88 ft. /sec. at F.S.D. ~~only. The lumpsum provision of Rs. 3000/- made in the estimate is considered necessary for the approach road from the village to the work site and is therefore retained.~~

(ii) There is a metalled road from D.L.B.Road upto the village only. The lumpsum provision of Rs.3000/- made in the estimate is considered necessary for the approach road from the village to the work site and is therefore retained.

(iii) Detailed estimate for the compete canal system based on the accepted tender rates is now submitted.

4. The works have already been let out on contract. The work of the main bandhara is practically completed and that of the canal system has been taken up and is in progress. The plans and estimate may kindly be returned duly sanctioned as early as possible.

Ixk. Spare copies of the face sheet and general des. [illegible] also accompany.

Superintending Engineer, S.C.

I.B. 7486/36
P.W.D.

The work of constructing a bandhara at Mamdapur in the Belgaum Dist. was undertaken as an emergency Irrign. work. In G.R. No. 5854/36, dated 19-6-44 sanction was accorded to the acceptance of a tender amounting to Rs. 2,03,817 for the bandhara proper. In Govt. telegram dated 9-4-46, sanction was accorded to the acceptance of a tender amounting to Rs.1,26,917 for constructing 6¼ miles length of the canal system and the S.E. was asked to submit plans and estimate for the whole work based on the accepted tenders.

2. The S.E.S.C. has accordingly submitted plans and estimate the latter amounting to Rs.5,46,165 for the whole project. The estimate presumably includes items which were not covered by the two tenders mentioned in para 1 above. If the p & c are in order the R.C.D. may be requested u.o. to accord admve. approval to them and return the papers to this Dept. for technical sanction to the p &c.

Id/30/9/46:

"hro Dr.(I)

The plans and estimates are generally in order and may be recommended for administrative approval to be with R.C.D. The cost of earth work/canal and channels has been arrived at with necessary estimate of the quantities and at rates in the accepted tender.

The approach road which was suggested to be dropped is considered necessary and may be retained.

The bandhara portion is completed and the canal works are in progress

Id/1/10/46.

may be approved

Id/4-10-46.

u.o.r. to the R.C.D. dated 8-10-46 with three files of plans and estimates

Reconstruction Department.

These papers have been referred to this Deptt. for according administrative approval to the plans and estimate, the latter amounting to Rs.5,46,165/- for the work of constructing a bandhara at Mamdapur in the Belgaum district. The appended G.R. may issue after u.o.r. to the F.D.

After issue the pps. will be returned to the P.W.D. for giving technical sanction. Copies of relevant pps. will be kept on the R.C.D. record before the pps. are returned to the P.W.D.

Finance Department (D)

The R.C.D. proposes to accord administrative approval to plan and estimate, the latter amounting to Rs.5,46,165 for the work of constructing a bandhara at Mamdapur in the Belgaum Distt.,

2. In G-R. P.W.D., No.5854/36, dated 19th June 1944, sanction was accorded to the acceptance of a tender amounting to Rs. 203,817 for the bandhara proper. In Govt. telegram dated 8-4-46 sanction was accorded to the acceptance of a tender amounting to Rs. 1,26,917 for constructing 5½ miles length of the canal system. The S.E. was asked to submit plans and estimate for the whole work based on the accepted tenders amount by Rs.1,15,431. He has now submitted the required plans and estimate. The present estimate exceeds the accepted tenders* It is presumed.

Accompaniment to Government Resolution, Public Works Department, No.7486/36, dated the 18th February 1947.

Technical note by the Chief Engineer to Government on the fair plans and estimate for the construction of a bandhara at Mamdapur, Taluka Gokak, District Belgaum.

The following point should be attended to during the construction of the work :-

The three branches BC, DE and DF (page 7 of the project file) have a designed discharge of 15 cusecs, 10 cusecs and 12 cusecs respectively, at their heads. The length of the channels in each case is a little less than 3 miles. In the respective designs the same section is adopted from head to tail of these channels. The sections should be reduced in the last mile in each case, or for a longer length if possible.
